Risk Assessment

As part of our ongoing commitment to tackling modern slavery and human trafficking The Stronger Together 'Employer Good Practice Implementation Checklist' has been used to identify further Modern Slavery risks within Brioche Pasquier UK and how to address them.

Due Diligence

We will continue to make enquiries about modern slavery, including human trafficking, into any existing and new supplier engagements. This process will include, in any new contractual documentation issued by the Company, a requirement that the supplier confirms their compliance with the Modern Slavery Act 2015.

With regards to national or international supply chains, Brioche Pasquier UK Ltd.'s point of contact for supply is preferably with a UK company or branch. These entities are required to have suitable anti-modern slavery including human trafficking policies and processes in place.

Brioche Pasquier UK Ltd. will not support or deal with any business knowingly involved in modern slavery including human trafficking.

Brioche Pasquier UK Ltd. is a member of Sedex (the Supplier Ethical Trading Data Exchange), a not-for-profit membership organisation dedicated to driving improvements in ethical and responsible business practices in global supply chains.

Performance Indicators to be set in our next financial year

Brioche Pasquier UK Ltd has or will in the next financial year put in place the following key performance indicators (KPIs) to measure how effective it is in preventing modern slavery including human trafficking in its business or supply chains:

- Ensure all new employees receive Company Induction covering all relevant policies and checks.
- Complete Sedex self-assessment questionnaire.
- Create and implement an action plan for 'Employer Good Practice Implementation Checklist' to guide delivery of relevant new initiatives.

Baking life's special moments

- Annual payroll audits and personal detail checks to be implemented at point of hire and annually for the full payroll sheet.
- Gain in date certification proof of GLAA compliance from all third-party labour providers.
- Conduct employment compliance audits on all third-party labour providers.

Actions taken in the financial year that ended on 31 December 2024

1. Training

Following the completed roll out of in-house training and assessment during 2024, The modern slavery training has now been incorporated into the Company's mandatory training to be completed every two years after joining Brioche Pasquier UK Ltd. To ensure a level of understanding of the risks of modern slavery including human trafficking and how to respond if they suspect a modern slavery including human trafficking issue. The Stronger Together 'Employer Good Practice Implementation Checklist' revised.

2. Auditing

All industrial agency labour providers, including their new starter inductions and payroll systems, were audited remotely or onsite face to face to identify if there was any evidence of modern slavery including human trafficking. It is vital our business partners operate to the same high standards as Brioche Pasquier UK Ltd. No such evidence was found.

3. Bank Accounts

An annual check was conducted to ensure that each employee has their own bank or building society account and not into an account over which they had no control. No concerns were highlighted following investigations.

Actions to be taken in the financial year ending on 31 December 2025

1. Training

Continue with Modern Slavery Awareness Training in conjunction with Stronger Together Training.

2. Contracts

Ensure a modern slavery clause is enforced in all the Company's purchase agreements with external contractors.
